| 74 | 67 | SLIDE, Rah Band | DJM |
| 75 | 53 | BOYS & GIRLS, Human League | Virgin |

JEANNIE C RILEY has held a unique record in the annals of country music for 13 years. In 1968 Jeannie's witty tale of 'Harper Valley PTA' shot to Number One in Billboard's pop and country charts. No other woman has ever managed to notch a number one on the two charts with the same record — until Dolly Parton's '9 To 5' ascended to the top of the pop chart on February 21 to complete a quickfire double. It can be argued that Dolly has improved on Jeannie's record as '9 To 5' has also topped the Adult Contemporary chart.

Despite Dolly's single success her album '9 To 5 And Odd Jobs' can't break Kenny Rogers' vice-like grip on the country album chart. Kenny has six albums in the chart with a combined "weeks on chart" total of 495 weeks! The most recent of these LPs, 'Greatest Hits', has spent 19 weeks at Number One and shows no signs of weakening.

John Harrod and Neil Rawlings have sent Chartfile a welter of chart statistics including the top 300 singles artists 1955-80 calculated from the weekly Top 20 on an inverse points basis with 10 bonus points for a Number One. John and Neil are thinking of starting their own magazine for chart enthusiasts to include this and other interesting analyses they have undertaken and invite prospective purchasers to write to them at The Max - Planck - Institut Fur Molekulare Genetik, Innestrasse 63-73, D-1000 Berlin 33 (Dahlem), Germany.

Meantime here's the first 50 of those top 300 artists, together with points totals: 1 Elvis Presley (7975), 2 Cliff Richard (5884), 3 Beatles (4238), 4 Everly Brothers (2727), 5 Lonnie Donegan (2484), 6 Abba (2350), 7 Pat Boone (2236), 8 Shadows (2222), 9 Rolling Stones (2171), 10 Bee Gees (1670), 11 Rod Stewart (1658), 12 Tom Jones (1619), 13 Connie Francis (1616), 14 Hollies (1601), 15 T Rex (1592), 16 Roy Orbison and Slade (1563), 18 Adam Faith (1468), 19 Bill Haley & His Comets (1433), 20 Manfred Mann (1428), 21 Paul McCartney (1417), 22 Shirley Bassey (1381), 23 Englebert Humperdinck (1361), 24 Frank Sinatra (1355), 25 Supremes (1342), 26 David Bowie (1322), 27 Kinks (1301), 28 Frankie Vaughan (1292), 29 Olivia Newton-John (1225), 30 Gary Glitter (1216), 31 Beach Boys (1209), 32 Jim Reeves (1180), 33 Petula Clark and Boney M (1132), 35 Showaddywaddy (1104), 36 Billy Fury (1102), 37 Frank Ifield (1101), 38 Duane Eddy (1097), 39 Sweet (1088), 40 Perry Como (1065), 41 Elton John and Queen (1046), 43 Paul Anka (1044), 44 Blondie (1039), 45 Bobby Darin (1036), 46 Johnny Ray (1032), 47 Frankie Laine (1029), 48 Anthony Newley (1024), 49 Andy Williams (1015), 50 Cilla Black (1008).

Harry Thumann may be a newcomer to the chart but the amorous pursuits of the 26-year-old jetsetter are familiar to readers of gossip columns throughout the continent. Munich-born Thumann is probably best known for a stormy and much publicised affair with actress Christine Kaufmann, later to marry Tony Curtis.

Thumann's activities in the musical field are less well documented though it's known that he started out as a drummer in 1969 when just 14 years old. Nowadays he concentrates on keyboards, particularly the synthesiser — an interest which arises from his days at university where he successfully took a degree in electronic engineering. Listening to his Decca single 'Underwater' it's nice to know he has a trade to fall back on.

Kodak's use of The Monkees' 'Daydream Believer' in TV commercials has created a huge wave of interest in the group in Japan and placed the disc back on the chart after an absence of 13 years. Large sales of Monkees LPs are also reported and Japanese TV is delighted with the big audiences drawn by daily repeats of the zany foursome's TV series. — ALAN JONES

4	JAZZ SINGER, Neil Diamond	Capitol
5	6 DOUBLE FANTASY, John Lennon	WEA/Geffen
