## THIS WEEK'S CHART

## ANALYSED BY ALAN JONES

The Pet Shop Boys' 'Heart' mains the number one single this reek, with Bros' 'Drop the Boy' in inners-up position for the fourth eek in a row. Only a tiny margin eparated the records last week, but es the Pet Shop Boys taking a ommanding lead over their rivals. ast week 'Heart' sold approximately 0,000 copies — far fewer than the ewly computed Gallup average for number one (76,900) but well up n the 45,000 it sold the previous eek - a paltry total which is the west for a number one record for t least five years, and one which as bettered the same week by no a four albums.

Some music papers included lbums in their singles charts in this xties, but generally speaking sales f albums then were very low and nly a few managed to make their resence felt. If the same system was operation today, more than half of the top 75 would be albums, articularly around Christmas, when ales of albums rise more steeply an those of singles.

'I Gave It Up (When I Fell In Love)' ebuts at number 52 this week, to ecome the *sixth* hit single off **uther Vandross**' album 'Give le The Reason'.

'See Me' peaked at number 60, 'I sally Didn't Mean It' at number 16, tep To Love' at number 24, 'So mazing' at number 33 and 'Give le The Reason' at number 26.
Since it first came out in November 786, Vandross' album has sold over 10,000' opies. Only three of its nine acks and not been released as ngles, and they're all ballads: ecause It's Really Love',

**acharach** and **David**'s 'Anyone 'ho Had A Heart' and 'There's othing Better Than Love', a

sumptuous duet with hoofer **Gregory Hines**.

- 'A Love Supreme' advances a further seven notches to number 34 for newcomer **Will Downing**. It's his adaption of jazz tenor saxophonist **John Coltrane**'s tune of that name, written and recorded in 1965, two years before his death.
- Climie Fisher soar to number three this week with 'Love Changes (Everything)', their second hit single. They penned the song with Nashville songwriter Denis Morgan. Simon Climie also co-wrote Jermaine Stewart's fast rising hit 'Get Lucky' with Hot Chocolate's Errol Brown. Climie is only a little over a year into his career as a hit songwriter his first hit, also penned with Dennis Morgan was the Aretha/George duet 'I Knew You

Aretha/George duet 'I Knew You Were Waiting For Me' — but Errol's first success came way back in 1970, when Herman's Hermits scored with 'Bet Yer Life | Do'.

- Five of the last six number one singles have been Hi-NRG, with only Aswad's reggae-fication of 'Don't Turn Around' interrupting the sequence. All of which means that dance music has a sweep of the chart summit thus far in 1988. What price Hazell Dean for the next number one? The diminutive songstress is in the top 10 for the first time in four years with the highly-energized Stock Aitken Waterman production of the Jack White song 'Who's Leaving Who'.
- The Sugarcubes become the first Icelandic act to complete a hattrick of hits this week, as 'Deus' arrives at number 65. They previously hit with 'Birthday' and 'Cold Sweat'. Iceland's only other musical export

to the UK was the jazz funk band **Mezzoforte**, who reached number 17 with 'Garden Party' and number 75 with 'Rockall', both in 1983.

• Eurythmics are back in business with 'I Need A Man' securing the top 30 place that evaded their last single 'Shame'.

'Man' is the third hit off their latest album 'Savage', which also contains 'Beethoven (I Love To Listen To)' and the song hotly tipped to be their next single 'You Have Placed A Chill On My Heart'.

'I Need A Man' is benefitting

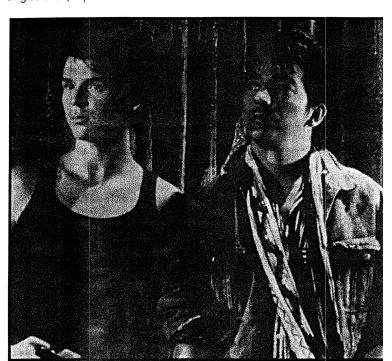

'I Need A Man' is benefitting considerably from being released as a CD single, with nearly half of its sales to date coming from the format.

The CD is a picture disc in a metal box, in a limited, numbered edition of 10,000. It features an otherwise unavailable live version of their 1987 hit 'Missionary Man' recorded in Australia.

More than 5,000 copies of the CD were snapped up by collectors on its first week out. Consequently, it debuted at number one on the CD singles chart, a position it loses this

week, as the Pet Shop Boys' 'Heart becomes the 15th disc to top the chart in as many weeks. Here's the Top 20:
