THIS WEEK'S CHART

● ANALYSED BY ALAN JONES

● Despite a rather shaky performance on 'Top Of The Pops', **Glenn Medeiros**' 'Nothing's Gonna Change My Love For You' continues to soar. Last week its sales increased by nearly 80 per cent and it is now outselling the number two record — **Salt-n-Pepa's** 'Push It/Tramp' — by a margin greater than three to one.

'Nothing's Gonna Change My Love For You' had a higher sale last week than any single since **Rick Astley's** 'Never Gonna Give You Up' was at its peak last August, and seem-likely to stay top for at least another fortnight.

● The week's three highest debuting singles are, remarkably, all fifth hits off former number one albums.

Michael Jackson debuts at number 14 with 'Dirty Diana' from 'Bad', **George Michael** bows in at 19 with 'Monkey' from 'Faith' and **Def Leppard** enter at number 20 with 'Love Bites' off 'Hysteria'.

The fact that Jackson's tour starts this week can't have done 'Dirty Diana' any harm at all. It's already done better than Jackson's last 'Bad' single, 'The Man In The Mirror', which peaked at number 21. 'The Way You Make Me Feel' and 'Bad' both reached number three, whilst 'I Just Can't Stop Loving You', Jackson's duet with **Siedah Garrett**, reached number one.

George Michael's 'Faith' previously yielded 'I Want Your Sex', which peaked at number three, 'Faith' (number two), 'Father Figure' (number 11) and 'One More Try' (number eight).

More remarkable than either George or Michael's achievement is the debut of **Def Leppard's** 'Love Bites' at number 20. It therefore tops the entry positions of the four previous singles off 'Hysteria'. 'Animal' came in at number 34, 'Pour Some Sugar On Me' and 'Hysteria' both came in at number 31, and 'Armageddon It' came in at number 28.

Leppard's 'Hysteria' album rebounds from number 84 to number 64, and has now sold over 400,000 copies, to become the Sheffield group's best-selling album yet in Britain. Even so, it's pretty insignificant compared to American sales of the album, which are approaching five million, and increasing at a rate of over 250,000 a week, thanks to their biggest hit single to date, 'Pour Some Sugar On Me', which stands at number three this week in the Billboard singles chart.

● **Tracy Chapman** remains at the top of the album chart for a third week, denying **Kylie Minogue** the opportunity of debuting at number one.

Kylie's album sold over 60,000 copies last week, a figure which would, more often than not, have made it a number one. Next week, both Tracy and Kylie are likely to be playing supporting roles to 'Now That's What I Call Music 12', so Kylie's chances of becoming the first Aussie to have a number one album here are slim. Ironically, Tracy was the first woman ever to have a number one with her debut album — and chances are that she has now

● **DEF LEPPARD** at the bar, again

deprived **Kylie** the opportunity of becoming the second.

● **Phil Collins**' 'In The Air Tonight' is the number one compact disc single for the fourth week in a row, during which time it has sold 15,000 copies. The rest of the top 20: 2 (-) **DIRTY DIANA** — **Michael Jackson**, 3 (-) **MONKEY** — **George Michael**, 4 (3) **FAST CAR** — **Tracy Chapman**, 5 (10) **I DON'T WANT TO TALK ABOUT IT** — **Everything But The Girl**, 6 (2) **BREAKFAST IN BED** — **UB40** with **Chrissie Hynde**, 7 (-) **ANYTHING CAN HAPPEN** — **Was (Not Was)**, 8 (19) **PUSH IT/TRAMP** — **Salt-n-Pepa**, 9 (6) **TOUGHER THAN THE REST** — **Bruce Springsteen**, 10 (4) **YOU HAVE PLACED A CHILL IN MY HEART** — **Eurythmics**, 11 (13) **NEVER TEAR US APART** — **INXS**, 12 (7) **I WILL BE WITH YOU** — **T'Pau**, 13 (14) **LIMBO** — **Bryan Ferry**, 14 (10) **FOLLOW THE LEADER** — **Eric B & Rakim**, 15 (9) **ATMOSPHERE** — **Joy Division**, 16 (5) **THE TWIST (YO, TWIST)** — **Fat Boys & Chubby Checker**, 17 (20) **I WANT YOUR LOVE** — **Transvision Vamp**, 18 (-) **IN MY DREAMS** — **Will Downing**, 19 (-) **DON'T SAY**

IT'S LOVE — **Johnny Hates J** and **WILLIAM IT WAS REALLY NOTHING** — **the Smiths**.

● Critics say it's his best album in years, but unless it improves on its initial chart position of 18, 'Reg Strikes Back' will be **Elton John** least successful album of new material since 'Victim Of Love' peaked at number 41 in 1979... **Joan Armatrading** scores her tenth hit album with 'The Shouting Stage' which debuts this week at number 28. Only one British woman has had more hit albums — **Shirley Bassey**, who has 28 to her credit... It's the best week ever for rap records in the singles chart, with the Top 40, these being the current hits from **Salt-n-Pepa**, the **Fat Boys & Chubby Checker**, **M Bianco**, **Eric B & Rakim**, the **Papa Girl Rappers** and **Public Enemy**...

● It's still number one in America **Cheap Trick's** 'The Flame' has to make the top 75 here — but it's getting closer. Eight weeks ago it entered the chart at 103, since which it has progressed as follows: 103 102-94-93-92-90-82.
