# THIS WEEK'S CHARTS

ANALYSED BY ALAN JONES

● ALICE COOPER: "who says Fairy Liquid's good for your hands?"

him in what Steve Wright jocularly calls his "light perm" for some time.

● Main reason for **Lil Louis'** 'French Kiss' dipping to number four on the singles chart would appear to be the release of 'French Kisses', his mini-album which contains five versions of the hit with a total playing time of 36 minutes. Aiding its popularity is the fact that it is a budget priced release which sells for little more than the 12 inch version of 'French Kiss'. It is the first album chart entry ever to comprise solely of different *mixes* of the same composition — though **Grace Jones'** 'Slave To The Rhythm' album contained a number of different *recordings* of the track of the same name.

● **Hazell Dean** returns to the chart this week with her 10th hit, 'Love Pains'.

Dropped by EMI last year, it's Hazell's 1 single for the Lisson label, owned by PWL's **Tilly Rutherford**. 'Love Pains' was originally recorded by **Yvonne Elliman**, for whom it was a number one hit in America a decade ago. It has been recorded by Liza Minnelli for inclusion in her forthcoming album.

● Though it debuted disappointingly at number 40, 'Revival' is the 20th hit single by the **Eurythmics** as a duo (They teamed with **Aretha Franklin** for 'Sisters Are Doing It For Themselves'). Only one duo in chart history has had more success — the **Everly Brothers**, who had 29 hits. Trailing Dave and Annie as the second most successful male/female duo in chart history are the **Carpenters** who notched up 17 hits.

The continuing popularity of 'Swing The Mood' simultaneously swept it past the half a million sales plateau and the top of the year-to-date singles rankings last week. In the latter category, it has a narrow (but, obviously, widening) lead over the **Bangles'** 'Eternal Flame'. **Jason Donovan's** 'Too Many Broken Hearts' is placed third, with **Gene Pitney** and **Marc Almond's** 'Something's Gotten Hold Of My Heart' fourth and **Soul II Soul's** 'Back To Life' fifth — a position it takes this week from **Kylie Minogue's** 'Hand On Your Heart'.

● His album is 'Trash' and his single 'Poison' but Alice Cooper is suddenly very popular again, holding runners-up position in both charts. Alice has only once made a better showing in either of the listings, scoring a number one single in 1972 with 'Schools Out', and a number one album the following year via 'Billion Dollar Babies'.

Alice was denied top billing on the album chart only by **Gloria Estefan's** 'Cuts Both Ways', which debuted at number one four weeks ago, and has stayed there ever since racking up sales of over 300,000. Gloria's 1987 album 'Anything For You' has sold over 900,000 copies this year, and combined sales of the two records make Gloria the year's best-selling album artist. Nevertheless, the first album to sell a million copies this year is 'A New Flame' by **Simply Red**, which took precisely six months to reach the target, and is adding to it at the rate of 40-50,000 copies a week. It has sold a further million copies in America, and another one in the rest of the world, all of which should provide group leader **Mick Hucknall** with sufficient income to keep

a week when records that had been aping up as future number ones 'angely lost their impetus, **Cliff Richard** steals the honours, debuting at number 10 with his 100th hit, 'I Just Don't Have The Heart'. This total includes 94 solo singles and six duets.

'I Just Don't Have The Heart' is Cliff's third consecutive top 10 hit, and all three have made their chart debut inside the top 10. 'The Best Of Me' debuted and peaked at number two, and 'Mistletoe & Wine' climbed all the way to number one after entering the chart at number seven. He's never had three consecutive singles debut in the top 10 before, and the last time he had three top 10 hits in a row was back in 1966/67. Cliff's 101st hit? 'Whenever God Shines His Light', a duet with **Van Morrison**, is to be released next month.

'I Just Don't Have The Heart' is the 20th single to enter the chart inside the top 10 in 1989 — equalling the previous annual record established only last year. The record before that was 19 in 1987, and 5 in 1984. With hot new singles by **Madonna** and **Tears For Fears** expected to enter the top 10, the 1988 record should be shattered next Sunday.

Meanwhile, **Jive Bunny and the Mastermixers'** 'Swing The Mood' completes a fourth week at number one, whilst the challenge from **Lil Louis**, **Liza Minnelli** and **Big Fun** evaporates. The new joker in the pack is **Black Box's** 'Ride On Time', which charges from number 11 to number three. Nevertheless, both 'Ride On Time' and the new number two **Alice Cooper's** 'Poison', were outsold by 'Swing The Mood' by a ratio greater than two to one.
