CHARTFILE

BY ALAN JONES

● ELTON JOHN: "I wanted to call it 'Healing Hats' but thought better of

► 'Turtle Power' by **Partners In Kryme** strengthens its grip at the top of the singles chart this week. It is now selling so strongly that even though Madonna's 'Hanky Panky' climbs from number four to number two it realistically has no chance of topping the turtles. And in America, where 'Hanky Panky' soared from number 7 to number 10 last week and seemed on course to become **Madonna's** ninth number one, it surprisingly dips to number 3 this week.

► **Prince's** 'Thieves In The Temple' and **New Kids On The Block's** 'Tonight' are the highest new entries to the singles chart — both sides of the Atlantic this week. In America, the Kids lead the way, debuting at number 37, with Prince entering at number 55. In Britain, the order is reversed, with New Kids On The Block debuting six places behind Prince at number 17.

'Thieves In The Temple' is the first single off Prince's forthcoming soundtrack album 'Graffiti Bridge'. 'Batdance', the first single off his last album made an even more impressive debut at number three.

New Kids On The Block's debut at number 17 is also less impressive than their last single 'Step By Step', which entered the chart at number two. But this is at least partly due to the fact that the standard 7-inch of 'Tonight' wasn't released until this week, the single's sales last week being on 12-inch, cassette and 7-inch picture disc only.

'Tonight' is the New Kids On The Block's **sixth** hit of the year, being preceded by 'You Got It (The Right Stuff)' (a 1989 hit that remained charted well into January), 'Hangin' Tough', 'I'll Be Loving You (Forever)', 'Cover Girl' and 'Step By Step'. That's a total not bettered since

1986, when Madonna had seven hits. The Kids' success with their latest single was assured both here and in America from the start — 'Tonight' has been used as the title of more British hits than anything else, while the B-side of the single 'Hold On' has been the most-used hit title in US chart history.

Nine previous British hits have shared the title 'Tonight', and each is a different song. The title was used three times in 1984 alone. **Shirley Bassey** was the first to score with 'Tonight', reaching number 21 in 1962, followed by **The Move** (number 11, 1971), **The Rubettes** (number 12, 1974), **Zaine Griff** (number 54, 1980), **The Modettes** (number 68, 1981), **Steve Harvey** (number 63, 1983), **Kool & The Gang** (A double A-sided disc with 'Joanna', number two, 1984), **The Boomtown Rats** (number 73, 1984) and **David Bowie** (number 53, 1984). The odds on the **NKOTB** reaching number one with 'Tonight' must, however, be considered slim. They are the sixth act on the list with a number one to their credit, but none of the others could repeat their chart topping exploits with 'Tonight'.

● A couple of weeks ago it seemed possible that **Elton John's** 'Sacrifice/Healing Hands' might overtake **Sinéad O'Connor's** 'Nothing Compares 2 U' as the year's best seller, but the danger has now passed. Meanwhile, Sinéad's rather belated follow-up, 'The Emperor's New Clothes' surprisingly dips to number 33 this week, having peaked at a number 31.

● With **Kylie** and **Jason** both between singles, **Craig McLachlan** and his group **Check 1-2** keep the Aussie flying

strong and proud in the Top 40. Craig's recent number two hit 'Mona' dips to number seven this week, while his latest single, 'Amanda', debuts at number 36. As far as I know, Craig is the first act ever to have simultaneous hits with songs named after girls. **Shakin' Stevens** had back-to-back, though NOT simultaneous hits with 'Oh Julie' and 'Shirley' in 1982.

● **AUSTRALIAN UPDATE:** Craig McLachlan also has two hits in the Aussie Top 40 this week, 'Amanda' slipping from number 13 to number 24 on its 17th week in the chart (it peaked at number three) while 'Mona' advances from its debut position of 39 to number 32. The Top 20 is as follows: 1 (1) U CAN'T TOUCH THIS — **MC Hammer**, 2 (2) IT MUST HAVE BEEN LOVE — **Roxette**, 3 (3) HOLD ON — **Wilson Phillips**, 4 (4) I DON'T WANT TO BE WITH NOBODY BUT YOU —

Absent Friends, 5 (6) SPIN THAT WHEEL — **Hi Tek 3/Ya Kid K**, 6 (7) I NEED YOUR BODY — **Tina Turner**, 7 (5) ALL I WANNA DO IS MAKE LOVE TO YOU — **Heart**, 8 (10) UNSKINNY BOP — **Poison**, 9 (—) LAY DOWN YOUR GUNS — **Jimmy Barnes**, 10 (8) INFINITY (1990s: TIME FOR THE GURU) — **Guru Josh**, 11 (16) LOVE WILL LEAD YOU BACK — **Taylor Dayne**, 12 (14) SHOW NO MERCY — **Mark Williams**, 13 (12) DUB BE GOOD TO ME — **Beats International**, 14 (9) STEP BY STEP — **New Kids On The Block**, 15 (22) JOEY — **Concrete Blonde**, 16 (18) THE POWER — **Snap**, 17 (31) EPIC — **Faith No More**, 18 (—) HANKY PANKY — **Madonna**, 19 (—) BETTER THE DEVIL YOU KNOW — **Kylie Minogue**, 20 (19) CLUB AT THE END OF THE STREET — **Elton John**.
