## CHART FOCUS

**T**he Bluebells' *Young At Heart* continues its reign atop a singles chart in which the whole of the remainder of the Top 10 has been surrendered to dance music.

Traditionally dominant, pop/rock has increasingly taken a back seat to dance music in the past few years, but its present tally of one single in the Top 10 — and that a nine year old re-issue — is unprecedented. The arrival on Sunday of Virgin 1215 was not a moment too soon.

New hits by **Sinitta** and **Boney M** increase the Arista label's current tally of Top 75 singles to a record seven. With the new **Whitney Houston** single out this week and **Sonia**'s Eurovision entry *Better The Devil You Know* due next week, their hot streak is set to continue.

Meanwhile, the label registers its first number one album in six years, as **David Bowie**'s *Black Tie White Noise* gets off to a flying start. Since he is their ultimate idol, and heavily influenced their

debut album, no doubt **Suede** are happy that it is Bowie who has dethroned them, rather than anyone else.

Among all acts only the **Beatles**, the **Rolling Stones** and **Abba** have had more number ones than Bowie, who takes his haul to eight with *Black Tie White Noise*.

Boosted by an appearance on *Top Of The Pops*, **David Essex**'s *Cover Shot* album vaults to number four this week, to become his highest charting album since 1975, when *All The Fun Of The Fair* peaked at number three. And **TV** — this time in the form of a South Bank Show special —

provides the impetus for **Gorecki**'s *Symphony Number 3* to jump from number 47 to number 18.

**Arrested Development**'s *MTV Unplugged* album slips a notch from its debut position of number 40, and is clearly being given a wide berth by most of the group's fans, while their old album *3 Years, 5 Months And 2 Days In The Life*, already well past platinum, climbs from number 16 to number nine. All three previous *MTV Unplugged* albums have reached the Top 10.

The first *MTV Plugged* — by **Bruce Springsteen** — is out this week. Unfortunately it hasn't been listed in *MW* yet, as it was not advised. For the record, its catalogue number is Columbia 4738602 (CD)/4738604 (cassette).

Two old timers return to the album chart this week. **The Dave Clark Five**'s *Glad All Over Again* hits package debuts at number 35, and **John Mayall**'s *Wake Up Call* debuts at number 60.
