CHART FOCUS

Though its lead over **Let Loose's** Crazy For You is down from 72% to 65%, **Wet Wet Wet's** Love Is All Around is an easy winner again this week, its 13th in pole position.

Bryan Adams' all-time record of 16 consecutive weeks at number one with (Everything I Do) I Do It For You and Frankie Laine's record of 18 (non-consecutive) weeks at number one with I Believe are both now seriously under threat, with only **Kylie Minogue's** Confide In Me and **Boyz II Men's** I'll Make Love To You viewed as potentially strong enough to dethrone Marti Pellow and company though even they are by no means certain to do so.

Yousou N'Dour and **Neneh Cherry's** 7 Seconds continues its slow ascent this week, climbing to number four in its 10th week on the chart. Debuting on June 25, its progress has been somewhat erratic, and not always upwards with a dip from 35 to 36 in its third week.

Few records reach their peak so late in a chart career, and the last instance of a record reaching the Top 10 after as many as nine weeks in the Top 75 was in 1989, when Bobby Brown's My Prerogative made a similarly slow ascent. In the five years in between, Cher's If I Could Turn Back Time took eight weeks to reach the Top 10, as did Rod Stewart's Downtown Train and the DiViny's I Touch Myself, while Julian Lennon's Salt Water took seven weeks to reach the upper

Since 1984, when **Purple Rain** belatedly kick started his albums chart career, **Prince** has kept up a non-stop barrage of releases. His new album **Come** is his 15th chart entry in a decade and his fifth number one. This already astonishing workrate is expected to quicken, as **Warner** is scheduled to put out four more albums (already recorded) bearing the **Prince** monicker, while the enigmatic artist pursues his desire to bring out two or three albums a year of new material on his **NPG** label, credited to his love symbol. **Come** is billed as his last selection of new recordings as **Prince**.

echelon. The last record to take longer to make the Top 10 was **Gloria Estefan's** Anything For You, which finally arrived in the Top 10

in September 1988, completing a 10 week ascent.

It's one of the busiest weeks of the year to date for albums chart action with no fewer than nine new entries this week, but only two companies share in this bonanza, with **Sony** newcomers shading **Warner's** by a margin of five to four. Even so, **Warner** acts have the two hottest new albums of the week, with **Neil Young and Crazy Horse** in at number two, and **Prince** in at number one. The **Prince** album is covered in more detail left, but **Neil Young** also deserves a mention, as **Sleeps With Angels**, his 31st chart foray, is also one of his most successful. Only his 1972 album **Harvest**, a chart-topper, has fared better. **Sleeps With Angels** has had rave reviews all over, even though **Young** has declared there will be no tour, no videos, no interviews and even no publicity photos to accompany its release.

Of albums already released, an ad campaign helps to propel **Eternal's** Always & Forever back to number four on its 33rd week in the chart, this platinum platter helping to disprove the theory that dance albums, particularly those by all girl groups, don't sell, while veteran crooner **Julio Iglesias's** Crazy album surges from 24 to six, becoming only his third Top 10 album, and his first since 1983's **Julio**. Meanwhile, the even longer established **Johnny Cash's** Man In Black compilation debuts at number 15, becoming his highest charted album for 22 years.

NEWCOMERS

22 ICE CUBE featuring **GEORGE CLINTON:** **Boz Gun** (One Nation) (4th+ B'way) **US 8th/3rd** hit. **Ice Cube -** first/biggest hit: It Was A Good Day (27, 1993). **Last hit:** You Know How We Do It (41, 1994). **Clinton -** first/biggest hit: Loopzilla (57, 1982). **Last hit:** Do Fries Go With That Shake (57, 1957). **Notes:** Containing portions of Clinton's Funkadelic P-funk anthem One Nation Under A Groove, production on **Boz Gun** is by Quincy Jones' son QDIII. Clinton and **Bootsy Collins** feature in the video filmed in Clinton's LA home. Ice Cube has just completed filming for a starring role in the film Higher Learning. **Album:** Lethal Injection (out now).

24 SHED SEVEN (pictured): **Speakeasy** (Polydor) **UK 2nd** hit. **First/last** hit: Dolphin (28, 1994). **Line-up:** Rick Witter (v), Tom Gladwin (b), Paul Banks (g), Alan Leach (d). **Notes:** The unbridled rivalry between **Shed Seven** and **Oasis** for the alternative pop throne continues unabated. With only seven days between each of their previous single releases and their forthcoming albums, media interest is riding high to find a worthy challenger to **Blur**. The group have invited prospective unsigned acts to send demos for possible support slots on their next set of live dates which are expected to be announced shortly. **Album:** Change Giver (September 5).

27 C&C MUSIC FACTORY: **Do You Wanna Get Funky** (Columbia) **US 8th** hit. **First/biggest** hit: Gonna Make You Sweat (Everybody Dance Now) (3, 1990). **Last hit:** Keep It Comin' (Dance Till You Can't Dance No More) (34, 1992). **Line-up:** Robert Clivilles (k), David Cole (k), Zelma Davis (v), Martha Wash (v), Trilogy (rap). **Notes:** The masters of the dancefloor, currently at number four in the **RM Club Chart**, have returned after a two-year sojourn with a revised line-up, now minus rapper **Freedom Williams**. **Davis** and **Wash** (a former **Weather Girl**) are still principal vocalists for the Manhattan production team of **Clivilles & Cole**. Their debut album has sold 6m copies worldwide. **Album:** Anything Goes (August 30)

32 HELICOPTER: **On Ya Way '94** (Helicopter) **UK debut.** **Line-up:** Simon Ratcliffe (k/g), Dyan Barnes (g/p). **Notes:** Originally out in 1992 on Tic Tac Toe, when it reputedly sold 10,000 without entering the Top 75. The group have also had a string of club successes remixing hits in recent months for 4th Measure Men, Aquarius, User 102 and the forthcoming **Ramirez** single. The duo will perform **On Ya Way** at various clubs during the next two weeks. **Album:** tba (1995).

33 PIZZAMAN: **Trippin On Sunshine** (Cowboy/Loaded) **UK debut.** **Line-up:** Tim Jeffery (k), JC Reid (k), Norman Cook (k). **Notes:** Taking its chorus from **Rockers Revenge's** club anthem **Walking On Sunshine**, the song originally peaked at number 102 in July. **RM Cool Cuts** compiler **Tim Jeffery** and fellow **Brightonian** **Norman Cook** are behind **Pizzaman**, together with

JC Reid - Jeffery's partner in the remix team **The Play Boys**. **Album:** none planned.

34 SASHA with **SAM MOLLISON:** **Magic** (Deconstruction) **UK 2nd** hit. **First/last** hit: Higher Ground (19, 1994). **Notes:** In addition to singing on **Sasha's** only previous chart hit, **Sam Mollison** also provided lead vocals on **Bone's** **Wings Of Love** - a number 55 hit in March. The track includes **Junior Vasquez** and **John Digweed** mixes. **Album:** Gat Collection Vol. 2 (August 30).

36 ATLANTIC STARR: **Everybody's Got Summer** (Arista) **US 8th** hit. **First hit:** Gimme Your Lovin' (66, 1978). **Biggest hit:** Always (3, 1987). **Last hit:** One Lover At A Time (57, 1987). **Line-up:** Aisha Tanner (v), Wayne Lewis (v), Jonathon Lewis (v), David Lewis (v). **Notes:** Starting life as a nine-piece band in 1978, the line-up has thinned to the core of the **Lewis** brothers and new vocalist **Aisha Tanner**, a native of Oakland, California. **Tanner**, the group's fifth vocalist, follows in the footsteps of **Sharon Bryant** and **Barbara Weathers**, who have each recorded acclaimed solo albums. **Album:** Time (tba).

44 LIONROCK: **Tripwire** (Deconstruction) **UK 4th** hit. **First hit:** **Lionrock** (63, 1992). **Biggest hit:** Packet Of Peace (32, 1993). **Last hit:** Carnival (34, 1993). **Line-up:** **Justin Robertson** (k), **Mark Stagg** (k). **Notes:** **Remixer Robertson**, a former shop assistant at **Manchester's** **Eastern Bloc** record store, formed **Lionrock** in 1992. Their eponymous debut release was a minor chart hit in December 1992. Under the pseudonym of **Peter Perfect**, **Robertson** enjoyed club support with two singles on the **Finiflex** label. **Album:** tba (1995).

54 THE BOSS: **Congo** (Strictly Rhythm/Cooltempo) **US debut.** **Notes:** **The Boss** is the creative outlet of **New York** remixer/producer **David Morales**. This recent **RM Club Chart** topper is a pastiche of **Brazilian** tribal percussion house sounds. Originally on **Strictly Rhythm**. No further **Boss** singles are planned. **Album:** none planned.
