● **Baby D holds on to top spot** ● **Go! Discs celebrates first number one album**

CHART FOCUS

With the Guinness commercial still running and the nostalgic glow of Christmas providing a boost to sales, **Louis Armstrong's** 1969 recording of *We Have All The Love In The World* climbs from number five to number three after nearly doubling its sales, and could challenge **Baby D's** throne. A possible follow up for EMI could be Armstrong's *Jeepees Creepers* which is being used in an advertisement for *Sure deodorant*.

Status Quo must feel disappointed this week after their revival of Jennifer Warnes' *Restless* debuts at number 39. **Status Quo** have enjoyed 48 Top 20 hits in their 27 year career, more than any other group, but their latest release could be their sixth consecutive single to fall short of the Top 20.

It is 12 years to the week since **Andy Hill** and **Pete Sinfield** got their first joint writing credit on a hit - *Bucks Fizz's Land Of Make Believe* which climbed all the way to number one. Since then they have worked together occasionally, providing hits for artists including **Leo Sayer** and **Cher**. Their latest venture for Canadian **Celine Dion** has made steady progress in recent weeks, even recovering from a 10 place drop. Think *Twice* is Dion's eighth hit and its position of 20 this week is its best performance after progressing from 53, 42, 52, 30, 28 and 22.

In the album chart multi-artist compilations continue to grab an increasing share of the market, with

The Stone Roses are back stronger than ever. *Love Spreads*, their first new single in nearly three years, topped the charts in midweek but, after being overhauled by **Baby D's** *Let Me Be Your Fantasy*, eventually debuted at number two beating the number four peak of their previous biggest hit, 1990's *One Love*. *Love Spreads* is the first single from their forthcoming album *Second Coming* which is likely to beat the performance of their previous albums; **The Stone Roses** which reached number 19 in 1989 and *Turns Into Stone* which reached number 32 in 1992.

37 in this week's Top 100, up from 32 last week and 15 ten weeks ago. The number one album overall is still **Now That's What I Call Music!** 29 which sold 200,000 copies last week.

Meanwhile, there is a new number one at the top of the artists album chart. All of the top four are best-of compilations, but the surprise leaders among a strong selection are **The Beautiful South** whose *Carry On Up The Charts* is the first number one album for **Go! Discs** and it comes nearly 11 years after its first album charted, **Billy Bragg's** *Life's A Riot With Spy Vs Spy*.

Sinead O'Connor's *Universal Mother* album has halted its decline, and climbs from number 131 to number 115 as her single *Thank You For Hearing Me* rises from number 18 to number 13. It is Sinead's biggest hit single apart from her 1990 chart-topper *Nothing Compares 2 U*.

Meanwhile, it is worth mentioning **Boyz II Men's** historic achievement in the US singles chart this week. Their latest single *On Bended Knee* has knocked its predecessor *I'll Make Love To You* off the top of the US Hot 100. In the whole of US chart history only **Elvis Presley** and the **Beatles** have previously scored consecutive number ones. Despite this **Boyz II Men** probably have mixed feelings about their success because if *I'll Make Love To You* had stayed at number one for another week it would have beaten the all-time record for weeks at the top. Instead, it must share that honour with **Whitney Houston's** *I Will Always Love You* with both wearing the crown for 14 weeks. The US success of *On Bended Knee* is unlikely to be repeated in the UK where it dips from its debut position of number 20 to a disappointing number 32 this week.

Alan Jones

NEXT WEEK'S HITS

Singles: **As We Speak:** *Love Me For A Reason* (Debut); **Boyzone** *A Reason (Polydor)*; **Joe Cocker:** *Let The Healing Begin* (Capitol); **E More Chance (MCA)**; **Madonna:** *Take A Bow* (Maverick); **Motorhead** *Whitfield Crane*; **Born To Raise Hell** (Arista); **Optimystic:** *Nothing* (WEA); **Robert Palmer:** *You Blow Me Away* (EMI); **Cliff Richard:** *Do Is Dream* (EMI); **Rolling Stones:** *Out Of Tears* (Virgin); **Whigfield** *Day (Systematic)*; **Paul Young:** *That's How Heartaches Are Made*. **Albums:** **Bob Dylan:** *Greatest Hits III* (Columbia); **Various:** *Love 2 Predictions* compiled by Era. Last week's score: 16 out of 19.

NEWCOMERS

7 EAST 17: *Stay Another Day* (London) UK/9th hit. **First hit:** *House Of Love* (10, 1992). **Biggest hit:** *Around The World* (3, 1994). **Last hit:** *Steam* (7, 1994). **Line-up:** Tony Mortimer (v,k), Brian Harvey (v), John Hendry (b,v), Terry Coldwell (v). **Notes:** The third single to be lifted from their second album *Steam*, this track is an uncharacteristically lush ballad with broad appeal - bookie William Hill is currently offering odds of 7-1 for this to hit the Christmas number one spot. **Album:** *Steam* (out now).

15 PJ & DUNCAN: *Eternal Love* (XSRhythm) UK/5th hit. **First hit:** *Tonight I'm Free* (62, 1993). **Biggest hit:** *Let's Get Ready To Rumble* (9, 1994). **Last hit:** *If I Give You My Number* (15, 1994). **Line-up:** Declan Donnelly (v), Anthony McPartlin (v). **Notes:** Having left their acting roles behind to concentrate on their pop career, PJ & Duncan slow down the pace in favour of a mellower groove for this Christmas-friendly release. There is a new Housey Housey mix of *Let's Get Ready To Rumble* plus an updated version of their first single, *Tonight I'm Free*. **Album:** *Psyche* (already out).

16 GLORIA ESTEFAN: *Hold Me, Thrill Me, Kiss Me* (Epic) US/24th hit. **First hit:** *Dr Beat* (6, 1984). **Biggest hit:** *Can't Stay Away From You* (7, 1989). **Last hit:** *Turn The Beat Around* (21, 1994). **Notes:** The title track and second single from Gloria's album of cover versions, *Hold Me...* was originally a number three hit for Muriel Smith in 1953. **Album:** *Hold Me, Thrill Me, Kiss Me* (out now).

17 THE GRID: *Texas Cowboys* (Deconstruction) UK/remix of 6th hit. **First hit:** *Floatation* (60, 1990). **Biggest hit:** *Swamp Thing* (3, 1994). **Last hit:** *Rollercoaster* (19, 1994). **Line-up:** Dave Ball (k, prog), Richard Norris (k, prog). **Notes:** Originally a Top 30 hit for the duo last year, this tune has been resurrected following the breakthrough success of the band's *Swamp Thing* single. Inspired by a homosexual cowboy movie, the track has been remixed by Justin Robertson. **Album:** *Evolver* (out now).

23 BLUE BAMBOO (pictured): *ABC & D* (Escape) Holland/debut hit. **Line-up:** Johann Gielen (k,prog), Blue (dog). **Notes:** This club favourite is the debut release for Dutch act Blue Bamboo (comprising a DJ and his dog!) and also the first taste of chart action for the year-old Escapade label. The track was inspired by a children's spelling song heard by Gielen as he passed a school while taking dog Blue for a walk. **Album:** *April* 1995.

37 DARKMAN: *Yabba Dabba Doo* (Wild Card) UK/remix of 1st hit. **First hit:** *Yabba Dabba Doo* (49, 1994). **Last/biggest hit:** *Who's The Darkman* (46, 1994). **Notes:** This Flintstones-inspired track brushed the Top 50 on its release in May, and has been remixed by Paul Waller and M-Beat (among others) for its second stab at the Top 40. **Album:** due early next year.

38 THE CRANBERRIES: *Ode To My Family* (Island) Ireland/4th hit. **First/biggest hit:** *Linger* (14, 1994). **Last hit:** *Zombie* (14, 1994). **Line-up:** Dolores O'Riordan (v), Noel Hogan (g), Mike Hogan (b), Fergal Lawler (d). **Notes:** This single is available in two CD formats. The first includes a new track, *So Cold In Ireland*, plus two album tracks recorded live on BBC's *Later* show. The second single features four live tracks recorded at the Feile Festival in July. **Album:** *No Need To Argue* (out now).

39 STATUS QUO: *Restless* (Polydor) UK/48th hit. **First hit:** *Pictures Of Matchstick Men* (7, 1968). **Biggest hit:** *Down Down* (1, 1974). **Last hit:** *Sherril Don't Fail Me Now* (38, 1994). **Line-up:** Francis Rossi (v,g), Rick Parfitt (g,bv), Andrew Brown (k), Jeff Rich (d), John Edwards (b). **Notes:** Although featured on the band's *Thirsty Work* opus, this Jennifer Warnes-penned track has been re-recorded for its single outing and now boasts a 32-piece orchestral backing. Arranged and conducted by Anne Dudley, this is the first time in Quo's 29-year history that they have used an orchestra on one of their records. **Album:** *Thirsty Work* (out now).

49 GOLDIE PRESENTS METALHEADS: *Inner City Life* (frr) UK/debut hit. **Line-up:** Goldie (DJ, prog,k), Diane Charlemagne (v). **Notes:** Hailing from Wolverhampton, Goldie made his first inroads into the rap scene as a graffiti artist. This led him to New York, Miami and later London where he provided artwork for Soul II Soul. Steeve designs for the Reinforced label eventually led to his recording career. **Album:** *February/March*.

52 WAY OUT WEST: *Ajare* (Deconstruction) UK/debut hit. **Line-up:** Nick Warren (k,prog,DJ), Jody Wisternoff (k,prog,DJ). **Notes:** This is the Bristol-bred pair's first release for Deconstruction, having previously recorded for their own Terra Firma label as well as providing remixes for Marcella Detroit and A Certain Ratio. **Album:** none scheduled.

Chart newcomers compiled by Michael Arnold. See chart for full writer/producer/publisher details.
