- 1. Red Hot Chili Peppers**
 Exactly two years ago, the Red Hot Chili Peppers were enjoying their first number-one album with *By the Way*. They released their second, *The Weak*, after the release of the single "Scar Tissue" in late 1992. In the interim, the band became the first album competing
- for the number-one spot to reach number one twice in the same year (1992), when another two-CD collaboration, *Pink Floyd's Interstellar Space*, reached the summit. The

reached the summit. The

- recordings on live in Hyde Park were called from the RNC's three recordists there, which attracted an estimated audience of up to 500,000 people.

7. Principes de la

- the album is more a two-career retrospective on the first 10 years of the band's work, rather than the single disc it appears to be. The pop hit, "Jumpin' Jack Flash," is the only new track. The 12.7 track work, the album is more a two-career retrospective on the first 10 years of the band's work, rather than the single disc it appears to be. The pop hit, "Jumpin' Jack Flash," is the only new track.
